AMENDMENT AFTER FINAL

Hon. Commissioner for Patents
Washington, D.C. 20231

Applicants respectfully request consideration and entry of the following amendment submitted in response to the Office Action dated December 26, 2002 and made final.

IN THE CLAIMS

1. (twice amended) A method of evaluating marketing campaign data, the data being in the form of database scores, stored procedures, and On Line Analytical Processing (OLAP) multidimensional structures, said method comprising the steps of:

providing a plurality of analytic models including marketing and risk models;

evaluating at least one of a model and a combination of models using structures that segment gains charts to discover where at least one of a model and a combination of models is under performing;

evaluating at least one of a model's performance over time and a combination of models' performance over time; and

defining user trends.
